

Online Texas Security Testing

In order to be eligible to contract your services to our company, you must first be registered with the state agency known as the Texas Private Security Bureau (PSB), and the process described here is the final step for you to do so. (BOTH levels of testing are required!)

Please read all of the following information prior to taking the test!

Click on the link located on the www.w3events.com webpage labeled "Contractor Info" for "PSB Testing". This will take you to the Texas PSB website. Take both the Level 1 & 2 tests.

Upon completion of both test levels, you MUST save a copy to a file on your computer and/or print out your test results page for both the Level 1 & 2 tests in order to send us the results, which will then complete your registration.

ATTENTION!

Your only opportunity to save (or print) the test score results is when you have completed the tests... once you "Log out", the page will be gone! There will be NO record of the tests afterwards!

(If you need assistance with information regarding how to save or print out your results, please contact W3 Events at (512)916-9461 BEFORE you take the test! We are more than happy to help you, no matter what your level of computer/internet skills are.)

Once you have saved the test scores as a file (Word document, PDF, etc.) or have printed them out on paper from your computer printer, you must submit them to the W3 office by any one of the following methods:

DELIVERY METHODS (Please choose only ONE!)

1. **Email:** resources@w3events.com Please title the subject line: "**PSB TESTS: (your Last Name, First Name)**" Don't forget to attach the files!
2. **Fax:** Please fax only the FIRST page of each test result (we don't need the whole test, just the scores!). Please do not fax more than 3 pages (including cover) to our fax line: (512) 916-9325
3. **Personal Delivery to office:** By appointment only, please call (512) 916-9461 to make an appointment prior to visiting.
4. **USPS Mail:** See mailing address at the bottom of this page.

These test score results will be submitted by us to the PSB along with the application and the 2 fingerprint cards you brought to training, as well as the deducted fee you authorized and signed for in the interview, all for the purpose of completing your legal registration so that you may begin to accept assignments from W3 Events immediately.

While you will be allowed to accept assignments before receiving your actual PSB identification card from W3 Events, if at any time your application is denied for any reason during processing by the PSB, you will be notified by our offices with whatever options may be available to you at that time. If you have any questions, please call (512) 916-9461 and we will respond at our earliest convenience. Thank you for contracting your services with W3 Events!
